take-outine-high chairs for bookings accepting credit cards for parking food for children well for children well for groups of children's TV climbers with appreciated views of the fries and services may differ due to COVID-19. Please contact the business directly to check times and availability. Wolffi is ideal for beer, salads, appetizers and fantastic views & outdoor deck. You like this, but you are still not welcome at 20:35, given by an amazing price. The room was quite small and quite small. Our servers were always nice, fast and made suggestions that were right on the money - to steam Nova Scotia mussels on Friday, they're great. We also loved the crab cakes and pickled chicken salads, as well as sat on the open deck and fell in love with the wonderful view. It's a fun, cheap & clean & clean place to eat if you're visiting the area like we were, put it in gps and head over! The number of COVID-19 cases continues to increase in our small community ... So far, we have been fortunate that none of our employees have been ill and that there are no cases related to eating in our establishment. In an attempt to maintain that case in the coming weeks, we decided to spin to release and deliver only for a while. Our socially layered dining rooms are temporarily closed. We will offer contactless transfer and our own delivery service. You can place your orders by calling us on 315.220.8250 or clicking on this link to order online: We are only open on Thursdays, Fridays and Saturdays... You can see our full menu HERE\* For the future in NY guidelines, I have completed the confirmation(s) to reopen. I also filled out the Opening Safety Plan. This plan will be available to view the site at any time. If you would like to email it to you, please let me know. My wife and I stopped here on Wednesday night in the summer. The weather did not look too promising, so unfortunately the outer deck was open for service. Even though it was Wednesday, we weren't the only one looking for a nice dinner, and... This place is crowded! We were informed that the wait would be 30 - 45 minutes, but we could go to the bar and eat there, so we said, why not. Our bartender was quick, friendly and knowledgeable - we had our drinks lickety-split. I ordered the chicken Speedy Su and my wife her favorite pork. Both delicious options. When you listen to a conversation in the bar, it's a favorite place for locals, so it's really good! The room was quite small and quite small. More
